Assistant Director for Reports and Estimates

Munitions Board Requirements

1. The accompanying reports have been prepared in partial response to a request from the Munitions Board, referred to by your office as CD No. 2404.1 and by the Munitions Board as AMMB 004.04.

- a. A Survey of the World Tin Situation
(Paragraphs I and II of the Munitions Board request).
- b. The Rolling Stock Industry in the USSR
(Paragraph IV of the Munitions Board request).
- c. The Motor Vehicle Industry in the USSR (in binder with b)
(Paragraph III of the Munitions Board request).

2. It is planned that these three reports will be issued as ORE studies as soon as possible, with copies available for distribution to all other interested agencies.

3. In the meantime we should appreciate your forwarding the typewritten copies of these reports to the Munitions Board. In transmitting this material the attention of the Munitions Board should be called to the fact that it refers only to the limited portion of the original request indicated above and that additional parts of the project are in production and will be completed as rapidly as facilities permit.
